

CASH FLOW SOLUTIONS...NOW!

*American Financial Partners offers
an easy way to turn your outstanding
invoices into **instant cash**.*

PROGRAM DETAILS:

Are outstanding invoices making it difficult for you to access capital for growth, take on new projects, make payroll or buy supplies?

AFP has a financial product to help accelerate payments from your commercial customers, freeing up your much needed capital.

Is this product for you?

- Do you sell business-to-business?
- Do you give terms to your customers?
- Do you have outstanding invoices for products that have been delivered or for services that have been completed?
- Do you want to be paid faster on those invoices?

If you answered yes to all of these, AFP can help you with a cash flow solution that just works.

What do I need to get qualified?

- Application
- Current payables and receivables reports
- Copies of invoices to be funded and copies of contracts (if applicable)

Features:

- Same day funding, once account established.
- No debt to repay.
- Have complete control over your cash flow by deciding which invoices to factor & when.
- Unlimited funding potential. (no minimums)
- Approval is focused on your customer's credit.
- Get complimentary business reports on your potential customers.
- Reduce back office collection costs.
- Take advantage of bulk discounts or early pay discounts from your suppliers.
- Online access to account information
