# Benefits of Leasing for Stone Fabrication Companies

- **100% Financing**
  - Do not require down payment
  - Can roll in soft costs such as installation, freight and training
- **Significant Tax Savings Potential**
  - Section 179
- **Fixed Payments and term**
- **General Lessor:**
  - Review all types and qualities of customers including start-ups and challenged credits
  - Review all types and quality of equipment including used
- **Flexible Lease Structures**
  - Variety of lease terms and options
  - 90 day first pay deferred, Step-up programs

# Benefits of Leasing for Stone Fabrication Companies (cont'd)

- **Customers Preserve Credit Lines, Cash and Working Capital**
  - Doesn't affect bank lines of credit for A/R, working capital and/or inventory
- **Fast and Convenient**
  - Simple one page application
  - App only up to \$500,000
  - Quick turn around times
- **No Blanket Liens**
  - We only take a collateral position in the equipment we are financing.
  - No tying up other business or personal assets

# Our Process

- Step 1:** The customer completes application either online at [www.afpstonefinance.com](http://www.afpstonefinance.com) or via hard copy and emails or faxes to AFP. We will always be in contact with the customer in regard to decisions made on the application.
- Step 2:** Once Approved, we will discuss lease options with the customer and send approval letter with terms.
- Step 3:** Upon receipt of signed approval letter, AFP facilitates documentation process with customer. Vendor is funded and production/delivery is scheduled.
